

Technical meeting Site security" Historic Royal Palaces, The Tower of London 5-6 December 2016

This meeting aims to focus on all the different types of attack that royal residences may be confronted with today, with particular attention paid to terrorist attacks.

Purpose of the meeting: drawing up an inventory of research conducted by the residences on these topics and defining a common theme for a joint project.

The meeting will provide an opportunity to examine the essential physical actions for prevention and the daily prevention measures that palaces like ours, which welcome millions of visitors each year in small spaces, must take into consideration.

Expected participants: security experts

Working languages: English

Dates: Monday, December 5 from 9:30 a.m. to 5.00 p.m. and Thursday 6 December, from 9:00 a.m. to 3:00 p.m.
