

Annual Mobility Grants Regulation

Created in 2001, the Network of European Royal Residences aims to foster synergy among its members, bringing together more than 90 Palace-Museums in 15 countries in Europe.

In order to encourage the exchange of good practices between residences, the Network supports **mobility grants**.

10 grants of 1,000 euros will be granted to professionals working in member residences.

1 / WHO

All trades in the Royal residences are eligible for these grants: curators, conservators, researchers, restorers, gardeners, educators, fundraising, development, public services and communication department staff, and all other professionals and employees of historic royal residences involved in the implementation of the institution's mission.

2 / DURATION

The duration (1 week – 10 days) of the stay is flexible and should be set between the candidate, their institution and the host institution.

Mobility periods are "short", ranging from one week to two-three weeks, in the frame of working assignment.

3 / PERIOD

For the year 2019:

After the selection procedure, the grant should be paid by bank transfer before June 30, 2019. The mobility period will be between July and December 2019.

	Deadline for Bank Transfer	Mobility Period
2019	30/06/19	July 2019 - December 2019

3 / COSTS SUPPORTED BY THE GRANT and PAYMENT

Each selected grantee receives a grant of € 1,000. This grant is considered to be **an aid** to mobility.

Therefore, it might not cover the entire cost. Depending on the duration of the stay and the host country, the grantee must take into account that part of the cost will not be covered by the grant.

This grant must be used to pay any costs directly related to the mobility trip (example: transport, accommodation, local transportation, catering, etc). Thanks to note that all the costs must be in the most reasonable level. You can find a list of rates per diem by countries on the website of the Network of European Royal Residences in order to have estimation.

Please note that the organization of your trip (flights, accommodation, insurance if necessary, etc) is not undertaken by the Network of European Royal Residences and all logistical aspects are directly managed by the grantee.

To note:

A financial report and a final report must be send by grantee to the Network of European Royal Residences within 1 month following the end of the mobility trip, under penalty of refunding the grant.
