

# **KEY FIGURES: EPICO AT THE PALACE OF MAINTENON, FRANCE** APRIL 2019

#### **HISTORY:**

Documented since the 13th century, the Palace of Maintenon has always been increased and embellished by its successive owners, particularly by Madame de Maintenon, Louis XIV's second wife. Kept within a single family since the end of the 17th century, the castle was bequeathed to the Mansart Foundation in 1983 by the Raindres family, heirs of the Noailles family. Since 2005, the Eure-et-Loir Departmental Council has managed the site and the collections.
